8th June 2020

Dear Parents/Carers,

I hope you are all well and keeping safe. There has been more information over the weekend about the R rate in the North West of England. The advice from our Local Authority at the moment is to continue with our opening plans as the R rate in Manchester is lower than other regions in the North West. This may change as the weeks go on and I may need to close school if this is the case. I will give you as much notice as I possibly can if this happens.

We have opened today for our Year 6 children. 11 children have returned for this week. Some parents want to wait a bit longer before their child returns to school and this is completely acceptable. No Parent/Carer will be fined if they do not send their child into school during this time. We will be contacting the Year 6 parents again this week in preparation for next week.

For those children staying at home, in all Year groups, we will continue to provide learning activities on the website. We have produced a pack of work for this fortnight which can be collected from school on Monday or Tuesday between 10 and 1.

I would like to thank you for your ongoing support. Please contact school if you need any support or further guidance. We are always here for you.

Yours sincerely,

Anne Conboy
