10th July 2020

Dear Parents/Carers,

I hope you are all continuing to keep safe and well. We have had 27 Year 6, 12 Year 1 and 6 Reception children this week. We are working hard on our plans to get everyone back safely in September and will let you know as soon as we have firm arrangements. This will be before the end of next week.

Last week you received a text requesting an email address. Thank you for all the responses. Please can you share your email address with school if you have not already done so. We have launched "parentapp" this week. If you have not been able to sign up please check the website for joining details.

For children who are staying at home, in all year groups, we will continue to provide learning activities on the website. The pack of work for the fortnight (July 6th – July 17th) can be collected from school on Monday 13th July or Tuesday 14th July between 10.30am and 1pm. This is the same pack as last week.

Your child's reports will be available to collect from school on Monday 13th July between 10.30am and 1pm. If you are unable to collect it on Monday it will be posted out on that evening. It will include information about your child's new class and the adults working with them. On Tuesday there will be a welcome message on google classrooms from your child's new teacher.

I would like to thank you for your ongoing support. Please contact school if you need any support or further guidance. We are always here for you.

Yours sincerely,

Anne Conboy
