Dear Parents/Carers,

I hope you are all continuing to keep safe and well. We have had between 11 and 12 Year 6 children over the last few days. We have contacted all remaining year 6 parents/carers again this week and we are expecting some more children on Monday. All parents/carers of the children who wanted a place will be contacted tomorrow with further details about their return. If your child has not attended this week or you do not receive a call tomorrow please do not bring your child to school on Monday 15th June. I am attaching a copy of our safety plan, homeschool agreement and a guide to life in school under the current circumstances. Some parents do not want their child to return to school and this is completely acceptable. No parent/carer will be fined if they do not send their child into school during this time.

We will begin to contact the parents of our year 1 children over the next week who wanted a place when they completed the survey.

The Government announced that the children in Year 2, 3, 4 and 5 would not be returning before the end of the year. For those children staying at home, in all Year groups, we will continue to provide learning activities on the website. We produced a pack of work for a fortnight (June 8th – June 19th) which can be collected from school on Monday 15th June or Tuesday 16th June between 10am and 1pm. This is the same pack that was available last week.

I would like to thank you for your ongoing support. Please contact school if you need any support or further guidance. We are always here for you.

Yours sincerely,

Anne Conboy
