Dear Parents / Carers,

We are improving the way we communicate with you and reduce the amount of paper we use and so we are introducing an app for your smart phone called Parentapps.

We will be using Parentapps to send out letters, end of year reports, messages and consent forms for trips and after school clubs which you can complete on your phone. The app will also provide instant access to term dates, event information, newsletters, surveys, twitter and link directly to information on our website. The link to download the app from Google Play or the Apple Store can be found on the school website's homepage:

[www.claremontprimary.com](http://www.claremontprimary.com)

To access Parentapps you will need to be invited via email or text message. This will be sent later this half term. If you do not wish to receive an invitation to Parentapps then please contact the school office to opt out.

The app is fully secure and GDPR compliant.

Please refer to the school's Privacy Notice for further details.

Yours sincerely

Miss A Conboy  
Headteacher
